**GRAND OPENING . . .** The new Mexican Eldorado family style restaurant at 15718 S. Hawthorne, is celebrating a grand opening next Sunday, Monday, and Tuesday, featuring elegant Mexican and fine American foods. Rare coins of Mexico will be on display during the grand opening fete. Plenty of parking is provided adjacent to the building.

**HIGHLAND FLING . . .** Sharon Kerr, left, and Renee Larrie are two of the dancers who will perform in the featured Scottish dance of the "Christmas on Broadway" dance show scheduled at Torrance High School Auditorium Friday, at 8 p.m. Presented by the Bettie Thomas Studios, the program will be a YMCA building fund benefit.

**Reduction in Rates Named Evening of Dance to Serve 'Y' By Edison Co.**

The third rate reduction in the past year has been announced by the Southern California Edison Co.

The current rate decrease will be effective Jan. 1, 1965, according to Jack K. Horton, Edison president.

The new rate will save \$6 million annually for Edison customers in 14 southern and central California counties served by the electric company. It will bring the current year's total to \$20.4 million in Edison electric rate decreases.

Benefits of the reduction primarily will be to domestic and small commercial customers. The rate decrease is the result essentially of Edison's increasing operating efficiency, continued Horton.

"Christmas on Broadway" a program of dance, will be presented as a YMCA building fund benefit by the Bettie Thomas Studios Friday, 8 p.m., at the Torrance High School Auditorium.

Featured on the variety program will be The Highland Fling, an authentic Scottish dance, with children aged 6 to 9. Children from Torrance, Gardena, Lomita, Wilmington and the beach cities will participate in the program with the young dancers three years old.

Dorothea Hockett is producer-director, assisted by Robin Thomas Yale and Ruth Spere.

Army PFC Emory L. Reese, son of Mr. and Mrs. Stewart J. Reese, Redondo Beach, was awarded The Expert Infantryman's Badge, Oct. 30, while assigned to the 1st Cavalry Division in Korea. The badge is the Army's highest peacetime proficiency award for

skilled and combat ready infantrymen.

Reese qualified for the award by demonstrating proficiency in combat tactics, weapons firing, physical fitness tests and by successfully passing written examination on various techniques of modern warfare.

**Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain**

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place. And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among the sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or other agents of any kind. The secret of a new healing substance (Bio-Dyne) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injuries on all parts of the body. This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed, convenient Preparation H® suppositories or Preparation H® Ointment with special applicator. Preparation H is sold at all drug counters.
